

**From the Pastor**

Before Pentecost Mr. Clyde Kilough sent out a number of quotes from LHT website visitors which expressed their appreciation for the information on the site. Such comments are always inspiring as we see the truth of God having a positive impact on the minds of many individuals. The quotes are listed below:

I came across your page on the topic of “law and grace,” and I was quite surprised. I was happy to see this site lift up the 10 Commandments as you did; not many people do. There are tons of reasons why we supposedly don’t have to keep the law anymore, and frankly I was getting discouraged thinking only one denomination held up God’s law, but then I found this and am so thankful to find [that] others see the obvious truth in the law. ... If so many hold high the 10 Commandments, why do they still persist to break His law by breaking the Sabbath commandment?

Mine is not a question but a word of strength and encouragement. ... Thanks for being so inspiring, [and] educating through the living word. [The] spiritual insight [is] so overwhelming.

I wish all of you God’s blessings and continuous guidance in all your work of proclaiming the Gospel of Christ throughout all corners of the earth!

I am very glad to have found this lovely website of Church of God, a Worldwide Association, because I have learned many things from it, and I will continue to learn more from it. ... In fact, I have thought about the history of the Church of God, and I would like to humbly request ... if possible [you] let me know it. Because normally, we know that after the going of Jesus Christ, there was one church of the apostles and disciples, but now we have many churches. I want to know how this happened and how the Church of God, a Worldwide Association, [came] into existence. Thank you, and I am waiting to hearing from you.

Good day! May the Father God Almighty bless us all, I am ... living here in Milan, Italy. But I am full-blooded Filipina from Philippines, of course. I am really seeking for a congregation that [teaches] repentance. ... I searched on Google [and found] your book called “THE KINGDOM OF GOD,” and I read it all. And it really [has] all I have [been] looking for, but when I saw your site, unfortunately you don’t have a congregation here in Milan. But still I believe, by faith, believing in God, [and] nothing is impossible [for] Him, that someday you will be ... here.

Thanks so much for how you continue to feed my spirit and soul every day with rich words of God. It is really having an effect on my life. I appreciate that a lot, and may the Almighty God Himself continue to bless you for the good work. Hope to hear from you again. Regards to all the wonderful team members. Thanks.

This month’s study is titled “We Are Called to Lead” and will be presented by Mark Winner. When God calls us out of this world, He calls us into the business of being Christian leaders. But what is it specifically that He’s looking for us to do? What are the thoughts and actions that are found in a true Christian leader? Join us for a scriptural look into this very important subject in this week’s “Friday Night Live.”
