

6th Annual Corpus Christi COGWA Campout

April 9 thru 11, 2021
Lake Corpus Christi
State Park

Come enjoy a weekend of
Fun, Food, Fellowship, and
Sabbath Activities

Entrance fee: \$5 per person 13-yr and older
Standard Campsite fee: \$25 night + Entrance fee
Website: <https://tpwd.texas.gov/state-parks/lake-corpus-christi>

We will be camping in the Javelina Loop which has Full Hookup Campsites and the Opossum Loop which has water and electric campsites. **To reserve a campsite please contact Arnold Mendez Sr directly. He has pre-reserved a group of campsites and he will assign you a site.** This area has restrooms with showers. Each campsite has a picnic table, water, electricity, fire ring, and BBQ grill. Cabins and shelters are also available but you must reserve these through the park reservation system. Families have been enjoying Lake Corpus Christi State Park for more than 80 years. Come for the water sports, varied wildlife and relaxing atmosphere. Leave refreshed!

Directions: The park is located on Park Road 25, located four miles southwest of Mathis off State Highway 359 and 35 miles NW of Corpus Christi.

Fish in the 18,256-acre Lake Corpus Christi. Anglers pull in largemouth and white bass; crappie; blue, channel and flathead catfish; and bluegill and red-ear sunfish. The park has two lighted fishing piers, one of which is 400 feet long and wheelchair accessible. We also have two boat ramps and two fish cleaning shelters. You do not need a fishing license to fish from shore or pier in a state park!

Birding, is rich and diverse here. This area is an important stopover for migrant birds. We've identified more than 200 bird species in the park.

Hiking, the parks has several miles of Hiking Trails.

Weekend Schedule of Activities

Friday Evening Activities

7 pm meal and Fellowship.

Cook your own food but bring it to a designated campsite and enjoy eating and fellowshiping together.

Sabbath/Saturday Activities

1-3 pm Sabbath Services/Bible Study
