FESTIVAL REGISTRATION FOLLOW-UP:

The deadline for Feast of Tabernacles registration is this coming Sunday (May 15). Currently, our records indicate that about 80 percent of our expected U.S. attendees have registered. That means that a sizable number of our members have not COMPLETED their Festival registration. In order for coordinators of all the sites to appropriately plan for the Feast, it is important they have numbers that accurately reflect expected attendance.

For those who have NOT registered yet, please begin the process by going to http://feast.cogwa.org. Be reminded that this is a two-step process. You first need to set up your family “account.” Then proceed to register each member of your family or household for the Feast.

For those who have ALREADY registered, we need to be sure all of you have actually COMPLETED the process. We ask that all of you who feel your registration is complete revisit the feast.cogwa.org web page and review your account and registration information. You should have both opened the account and completed the Feast registration process—indicating Feast site chosen, volunteer input, etc.—for EACH member of your family or household. Only then will your registration be COMPLETE!

Please know that the following sites have reached capacity and are no longer taking registrations:
- Victoria, British Columbia
- Hikkaduwa, Sri Lanka
- La Bussière, France

Accessing the FOT Registration: After accessing the COGWA Feast web page, simply click on the “REGISTRATION” button and begin the process. This first step will set up your registration portal account— unless you already have one. Those of you who registered for either the Young Adult Leadership Weekend in February or our COGWA Youth Camps for 2016 will already have your email and password set. You do not need to set up another account.

After completing that first step, you will receive a confirmation email almost immediately. To complete the registration process, simply access that email, click on the link provided and finish the Festival registration, indicating site selection, volunteer information, etc. for you and each member of your household.

Please also note that although the initial registration will close after May 15, once you have registered you can log back in on your own portal account to make any desired changes or edits. That means you need to register now (if you haven’t already) to secure your own account that you can edit at any time. Anyone new to the Church after May 15 will have the opportunity to register for the Feast later this summer.

One final reminder, early housing opens May 15 (at 10 a.m. in the time zone of the site you will be attending). Please check with your local Feast adviser or pastor if you aren’t sure if you qualify for early housing. Housing will be open to everyone beginning May 23.
